

Registered Nurses

Yaandina Community Services is the largest local provider of community services in the Pilbara. Through integrity, respect, team work, continuous improvement and innovation the dedicated staff at Yaandina focus on the needs of each of our clients to deliver the best possible service and care.

We are currently seeking experienced Nurses who genuinely care about delivering the best outcomes for the residents of our aged care facility in Roebourne. We are looking for people who can work in a team environment and can work on a casual basis across various shifts, including weekend shifts. You will be joining a team where you will feel valued, supported and appreciated.

The Role

You will provide person-centred care to our residents, applying your clinical skills to enhance their quality of life and their physical, social and emotional needs. You will provide a responsive and holistic approach to supporting their needs and enabling them to live their best life. You will:

- Assess, plan and implement client care within your scope
- Consider their physical, social and psychological requirements
- Create and update care plans to reflect the residents' needs
- Ensure clinical quality compliance standards are met
- Work collaboratively with other multi-disciplinary team members, along with the residents and their families to achieve positive client outcomes
- Provide support and supervision of Support Workers

About You

You are an experienced nurse who has what it takes to make a difference in our residents' lives. Your experience working with clients of diverse, multi-cultural backgrounds and clients with complex needs will contribute to your success in the role. You will have an understanding of person-centred care and support principles, with the ability to transition between business and client needs seamlessly. Your ability to manage priorities and workloads according to residents' needs and to work autonomously will enable you to meet the demands of this role.

You will have:

- Current Nurses Registration with AHPRA
- Sound understanding of the Aged Care Accreditation Standards
- Current National Police History Check
- Current NDIS Screening
- Evidence of an up-to-date Influenza & COVID Vaccination in accordance with the current Public Health Directive for Aged Care Facilities

The Benefits

If successful you will be rewarded with a range of benefits which include:

- A competitive remuneration package which includes various salary sacrificing options
- Ongoing professional development
- 4 weeks annual leave plus 1 week shift leave
- Unique culture promoting diversity and shared values

If this position appeals to you, please submit your resume to recruitment@yaandina.org.
