

Manager Aged Care and Community Support

'Enrich and empower people!'

Yaandina Community Services is a not-for-profit organisation, and the largest local provider of community services in the Pilbara. . Based in Roebourne, Yaandina exists to provide health and support services to and advocacy for the vulnerable communities within the Pilbara and seeks to improve the quality of life of our consumers through care, support and education. Yaandina's services include; aged care, disability and youth services, family support, AOD rehabilitation and counselling.

We have an exciting opportunity for a **Manager, Aged Care and Community Support** to lead our aged and community care teams, based in Roebourne. Your role will have a strong focus on and input to the strategic direction of the Aged and Community Care services and responsibility for the services delivered through our Aged Care and Community Care centres.

You are a contemporary leader who will be responsible for leading a multidisciplinary team of experts and care staff. Reporting to the Chief Executive Officer, your challenge will be to drive positive change in the Aged and Community Care services. Your strong leadership will enable Yaandina to maintain peak body status of the Aged and Community Care services. You are strategically minded and performance driven and have:

- the ability to lead the overall performance of Yaandina's Aged and Community Care services
- extensive experience managing diverse teams across multiple operational services
- expertise in leading through change
- managed services that support people with complex needs
- strong business acumen, with the ability to oversee budgeting and reporting to ensure financial viability
- tertiary qualifications in either business, management, aged/disability services or community development.
