

Are you an experienced
AOD Practitioner?

Have you worked in the
AOD Sector?

Do you want to make a
difference where it really
counts?

Our Services

Yaandina is a multi-functional, multi-funded charitable organisation that has been in operation since 1975 delivering localised wrap-around, client-centred services from birth to ageing for the predominantly First Nation's population of Roebourne and its surrounding communities.

Yaandina is well known for its services and currently has a position available for a quality **AOD Practitioner** to join a multi disciplinary team delivering primary prevention, intervention, treatment and transition services at our Turner River Rehabilitation Centre in South Hedland.

If so, Yaandina's AOD Practitioner might just be the role you are looking for

We can offer you:

- a unique experience within a well respected AOD service in the Pilbara region of Western Australia
- professional development
- meaningful work in a regional setting
- a competitive salary commencing at \$85,000 for the right person with the right skills
- access to housing in the Town of Port Hedland
- access to Salary Packaging of up to \$15,000

Our Staff

Yaandina's alcohol and drug service employs a Manager, three team leaders, a business services coordinator, AOD practitioners, therapists, liaison and advisory officers, support workers, drivers, a chef and maintenance worker.

We expect staff to:

- have the right qualifications and registrations
- be fully vaccinated against COVID 19, desirable
- be skilled, generous, caring and committed to client AOD misuse recovery
- be willing to learn and actively contribute to our organisation.

Send your application to recruitment@yaandina.org and please call our HR Team on 08 9182 1172 should you require further information.
