

CLINICAL LEAD

Yaandina Community Services is the largest local provider of community services in the Pilbara. Through integrity, respect, teamwork, continuous improvement and innovation, the dedicated staff at Yaandina focus on the needs of each client to deliver the best possible service and care.

We are currently seeking a Clinical Lead who genuinely cares about delivering the best outcomes for the residents of our aged care facility in Roebourne. We are looking for a person who care work both in a team environment and autonomously. You will be joining a team where you will feel valued supported and appreciated.

The Role

You will provide person-centred care to our residents, applying your clinical skills to enhance the quality of life and their physical, social and emotional needs. You will provide a responsive and holistic approach to supporting their needs, and enabling them to live their best life. You will:

- Document and update residents individual care plans and assessment information, and conduct monthly care plan reviews and evaluations.
- Delegate care planning and other assessments to the RN's and EN's as per schedule.
- Provide complex nursing procedures according to Evidenced Based Practice and organisational policies and procedures.
- Is committed to and demonstrate an understanding of the Quality of Improvement Process and National Aged Care Quality Standards.
- Ensure a safe home-like environment is maintained for care recipients at all times.
- Work collaboratively with other multi-disciplinary team members, along with the care recipients and their families to achieve positive client outcomes.
- Escalate individual care recipient needs based on sound clinical assessment.

About You

You are a Registered Nurse who has what it takes to make a difference in our care recipients' lives. Your experience working with clients of diverse, multi-cultural backgrounds and with complex needs will contribute to your success in this role. You will have an understanding of person-centred care and support principles, with the ability to transition between business and client needs seamlessly. Your ability to manage priorities and workloads according to the needs of our care recipients and to work autonomously will enable you to meet the demands of this role.

You will have:

- A current Nurses Registration with AHPRA coupled with 5 years RN experience
- Degree qualification in nursing.
- Sound understanding of the National Aged Care Quality Standards and the NDIS standards
- Sound understanding of ANACC
- Current National Police Check and NDIS Screening
- High level computer literacy with the ability to navigate and utilise a range of Health Services platforms

Benefits

While working at Yaandina you will be provided with range of benefits including:

- A comprehensive remuneration package which includes salary sacrificing options and other benefits and allowances
- Ongoing professional development
- 5 weeks annual leave per year
- Use of a vehicle for business purposes
- Accommodation subsidy can be negotiated
- Unique culture promoting diversity and shared values

How to apply
