- Facilitate and deliver psycho-education, case management and other intervention-focused activities as directed
- Case management of residents as per resident allocation
- Participate in range of internal and external meetings as required such as team, clinical, stakeholder and intake meetings
- Ensure accurate and timely documentation and reporting of clinical activities and outcomes.
- Participate in ongoing review and assessment of a resident's progress.
- Provide support and assistance to colleagues and others as directed by the Clinical Manager.

About you:

- Work independently, and as part of a larger team
- Knowledge of AOD treatment standards, and evidence-based practices.
- Excellent verbal and written communication skills to effectively interact with clients, staff, and stakeholders.
- Understanding and respect for cultural diversity, ensuring culturally responsive care.

Requirements of the role:

- Qualification in Psychology, Social Work or a related field (essential)
- Strong knowledge of evidence-based practices in AOD treatment, including counselling, assessment and psycho-education.
- Experience in the AOD space, essential including remote communities
- Valid National Police Check
- Valid Working with Children Check
